Schools Spectacular with Riverina Central Choir

Congratulations to all students who participated in the Schools Spectacular with Riverina Central Choir. The show went extremely well and our Riverina Central Choir students were sensational. I was hugely proud of their commitment to the singing and movement and their fantastic behaviour throughout. It was especially good to see how well students from all the different Riverina schools had bonded and looked after each other.

The seniors are to be commended for: being exceptionally good role models to our junior division; conducting themselves so well during and outside of the rehearsals and shows; being perfectly mannered to parents, adults, fellow students and all Schools Spectacular staff; being so reliable and punctual; having total commitment to the cause and giving 100% to their singing and movement and being appreciative of the opportunity afforded them. What a great bunch!

Students will take the Schools Spectacular experience with them throughout their lives. I'm sure it is something they will remember. Especially as this year's show is now in the Guinness Book of Records.

If you would like to see this amazing show, take a look next Saturday 4 November, on Channel 7, to see the show.

This year the production is called *Toil & Trouble*. Here is a little sneak peak of what it is about...

Welcome to the 457 Annual International Witches Conference, where the next generation of witches and warlocks gather to become educated and inspired in the modern day art of witchcraft. Little do these good witches know that their conference will soon become a battlefield. Succeed or be banished, Vespera and her evil goblins are now in control. Personalities clash, skills are put to the test. Can these witches join together and discover their inner selves before time runs out?

Important dates for parents of Year 7 2017 students:

Information Evening: Tuesday 6 December in the Wagga High, Ted Drake Room at 6:00pm. Orientation Day for Year 7, 2017 students is also Tuesday 6 December from 9:00am to 3:00pm. Year 8 History students investigate Black Plague at CSU Wagga

Year 8 History students continued their Black Plague "Innovation from Adversity" Project with a visit to the Laboratories at Charles Sturt University, Wagga Wagga. Miss Henderson's History class were taken through the different stages of key developments as science developed responses to the devastating disease. CSU Acting students re-enacted historical

characters, such as a plague doctor in a full plague mask and outfit, the discovery of the use of handwashing to help stop the spread of the plague and the invention of the microscope that meant the bacteria could now be seen. All class members engaged strongly with each phase of the visit and Jack Jones was very articulate in explaining what he had learned so far to a local TV news crew. The class teams are now finalising their artworks, reports and speeches for the exhibition for parents and caregivers to conclude their investigation this term.

Senior Study

Senior students are reminded that they are not to leave the school during the school day unless they have applied for study leave. See Mr Lamb for an application form. Students should be aware that if they breach the conditions of study leave, this privilege will be revoked.

The website address for this is:

<https://apps.transport.nsw.gov.au/ssts/updateDetails>
