School Spectacular 2018

Just a reminder that Schools Spectacular 2018 will be broadcast on channel 7 Saturday 8 December. A great opportunity to see all the talents of our dedicated Wagga High students and teachers who were involved.

Year 10 Enrichment

Year 10 students have just completed their Enrichment Program, which proved to be a valuable two-week program, culminating the completion of junior years and recognising their transition into senior school. It contained three main components: **YOU, YOUR SCHOOL & YOUR COMMUNITY**. Students participated in a range of activities in each of these areas according to personal choice. The two-week program also provided opportunities for students to build team skills, set goals, gain information about personal safety and strategies to effectively transition to the senior school, with the theme 'Looking After Your Mates'. It also fostered the opportunities to build strong relationships with their teachers, peers and the community alike. Activities offered over the fortnight included goal setting sessions, special guest speakers discussing 'How to overcome Adversity', charity work, team building activities, tertiary tours, Mock Formal with the theme 'Future Me', community programs, welfare day, pancake breakfasts, YOU sessions, plus many more.

#mockformal

Riverina Waterpolo

Rex Gallaher, Sebastian Brown and Ethan Ross all took part in the NSW CHS Boys Carnival in Week 7. They all played extremely well and ended with a top four finish. Rex was awarded a major individual award - the Bob Greenwood Award for being an all rounder. Zelda Nugent, Bridie Sheridan, Meg Mundy, Charli Cook and Laila Cook all participated in the NSW CHS Girls Tournament last week. The team was young and learnt a lot over the week. The girls ended the carnival in seventh place.

Library News

Thank you for a great year of borrowing! It has been fantastic to see so many students from across year groups making use of our welcoming environment and borrowing from the collection! A reminder that all library books are now overdue – so if you have any at home lying around – please return them!

Term 4 has been a very busy time for year 11 starting their HSC Courses and it has been wonderful to see so many of these students taking their studies seriously and utilising the library spaces and senior laptops during their study periods. Remember that Mrs Trenaman is more than happy to help students find resources and to navigate databases through the Riverina Library and State Library if students would like some extra help!

The library also has a fantastic subscription to the digital World Book Encyclopedia - great for school assignments and general interest! Simply go to: www.worldbookonline.com username: wwhs1 password: library. Also don't forget the school's subscription to Clickview at: clickview.com.au. This is a fantastic video repository that has lots of amazing educational videos for general interest and to help you with your studies. Library staff are happy to help you access these fabulous resources – please contact us if you need assistance.

Library staff wish the school community a happy Christmas and a wonderful 2019!

Careers News

Rural and Regional Enterprise Scholarships

The second round of the Australian Government's *Rural and Regional Enterprise Scholarships Program* (RRESP) will be closing on 14 December 2018. The scholarships provide up to \$18,000 to support rural, regional and remote students studying Science, Technology, Engineering and Mathematics (STEM), including Health and Agricultural Science at Certificate IV to PhD level. Please click on the link to view the [full details of this scholarship](#) including eligibility criteria.

MICROSOFT TRAINEESHIP PROGRAM. Microsoft Australia is proud to announce the launch of the Microsoft Traineeship Program in Australia. Commencing with a pilot in Sydney in 2019, the Program will combine a Certificate IV in Information Technology with paid work experience to accelerate each students' learning journey. Please email Beth Worrall on beworrall@microsoft.com for more information.
