GRIP Leadership Conference

Last Monday November 12th saw the Wagga Wagga High and Koorinal High leaders travel to Albury to attend the GRIP Leadership conference. It was a wonderful day full of fun and activities designed to support the students in developing and implementing their leadership ideas in 2019. The feedback has been very positive with our leaders excited to apply the new strategies to their initiatives next year. Many thanks go to our parent driver Mr Nigel Lucas who generously donated his time to take both teams to the event and Mrs Lucas couldn't be more proud of how our students are representing the whole school.

From 25 November to 10 December, the 16 Days of Activism Against Gender-Based Violence is a time to galvanize action to end violence against women and girls around the world.

This year Wagga Family Support Service and the Women's Domestic Violence Court Advocacy Services are presenting a book launch and information session to raise awareness of the 16 Days of Activism and the important issue of violence against women.

The Skinny Girl is Steve M. Matthews' first adult novel. Although this is a work of fiction, it is based on interviews, research and published works. Raw, powerful and thought-provoking, *The Skinny Girl* explores the topic of domestic violence through a relationship between shy Daisy Croucher and popular pub local Jeff Singleton. The novel discusses the ways attitudes, values, and culture contribute to abuse, and the path to change.

The funds raised on the day from book sales will help to support women and children experiencing domestic violence, to remain living where they choose and have the violent person leave.

A Story of silence that must be told
