**Year 9 Child Studies**

Report by Nagham Mato: Playgroup started last week in the hall and school gym. The pre-schoolers enjoyed playing with the Wagga High students and each other. Some of the activities included painting, colouring in, playing with balls and on the spring board. Last Thursday the children finished off the morning with the whole group enjoying the big parachute together.

**Read-In Incursion**

You only need to have a look on the faces of the 21 students who participated in this year’s READ-IN on Friday 16 August, to see what a wonderful day we had. It was a fantastic opportunity to share our love of reading – and it was completely satisfying to let the rest of the world wash away while we immersed ourselves in our books. We also had fun predicting the winners of this year’s Children’s Book Council Book of the Year Awards – and shared the winners announcement at lunchtime.

A BIG thank you to Gateway Books and Collins Bookshop who once again generously donated book vouchers to be raffled on the day to our keen readers. The students are also to be congratulated on their amazing fund-raising efforts. With the option of collecting sponsors, they raised over $380 for charity, an exceptional effort.

Enthusiastic Readers + Great Kids + Super Fundraising Effort + Time to Read + AWESOME DAY! Well done everyone!
